## We Thought of Everything... & Then Some

We evaluate every detail of a product from top to bottom, inside and out and every angle in between. That's 360+1. And that's why you can count on this gas furnace to bring you and your family years of efficient and dependable indoor comfort.

## Innovation You Can Count On

Patented industry-first features and 360+1 design make the Rheem Endeavor R951T a smart choice.

### Peace-Of-Mind Performance

Relax, you're covered by one of the best warranties in the industry<sup>1</sup>—10 Year Conditional Parts + Limited Lifetime Heat Exchanger.

### Energy Efficiency Savings

Higher AFUE (Annual Fuel Utilization Efficiency) ratings mean more energy savings and this 95% AFUE, ENERGY STAR<sup>®</sup> certified gas furnace is close to perfect when it comes to efficiently converting gas to heat—offering up to \$85 in annual energy costs savings<sup>2</sup> and potentially even more with available rebates. Visit Rheem.ca/Rebate-center for potential government rebates.

### Efficient Comfort

Constant torque ECM motor technology delivers the heated airflow to meet your requested warmth requirement.

## TESTED. TRUSTED. TOUGH.

From the smallest part to complete comfort systems, we build quality into everything we make so we can be sure it's tough enough to deliver the ultimate performance you can count on day after day, year after year. That reliability is what makes Rheem different—and better.

## Among Furnaces, **This One's a Star**<sup>3</sup>

Earning ENERGY STAR<sup>®</sup> recognition means products meet strict energy efficiency guidelines set by Natural Resources Canada. ENERGY STAR certified heating and cooling equipment can enhance the comfort of your home while saving energy—which saves money on utility bills and protects our climate by reducing harmful carbon pollution and other greenhouse gases.

## FEATURES AT A GLANCE

**Input Rate:** 40–115 kBtu

**Configuration:** 4-Way Multi-Position

**Heating Stages:** Single-Stage

**Motor Type:** Constant Torque

**Sound Ranking<sup>4</sup>:** Quiet

*In keeping with its policy of continuous progress and product improvement, Rheem reserves the right to make changes without notice.*

<sup>1</sup>Registration is required for the conditional parts warranty. For complete details of the limited and conditional warranties, including applicable terms and conditions, contact your local Contractor or go to Rheem.com for a copy of the product warranty certificate. <sup>2</sup>Per EnergyStar.gov, when compared to a standard 80% AFUE gas furnace. <sup>3</sup>Proper sizing and installation of equipment is critical to achieve optimal performance. Ask your contractor for details or visit EnergyStar.gov. <sup>4</sup>Based on manufacturer's furnace offering, and the product's heating stages, motor type and cabinet insulation. Sound levels are also dependent on furnace location and installation.
